## INITIAL MESSAGE

This office has received a request from the White House Office of Policy Development to provide a briefing to Dr. Carlton E. Turner, Drug Policy Advisor, and his assistant, Daniel F. Leonard. Apparently they have met with Director Casey recently but did not get a comprehensive briefing from him. They are interested in the role the Agency plays in the overall Government effort against illicit international drug traffic. They mentioned that some time ago [redacted] gave them a briefing 25X1 Since then, they have met with DEA, State, Justice, etc. and feel that having learned more about the overall drug picture, they are in a better position to appreciate the Agency role.

It would appear that [redacted] could lead a group of experts which could also include 25X1 ODI representatives if he desires. We should plan to present the briefing as soon

as is convenient. Dr. Turner is located in Room 218, Old EOB. Could we use this opportunity to make some of our views known to the White House? Please call me on [redacted] so that we can finalize arrangements. 25X1
